UNITED STATES DISTRICT COURT
FOR THE District of New Jersey [LIVE]
U.S. District Court for the District of New Jersey
NEWARK, NJ 07101

Case No. 2:18-cv-05724-MCA-MAH
Now marked: Civil Action No. 19-5724(MCA)

ATTN: HONORABLE JUDGE Madeline Cox Arleo

Re: Response to your letter.

Judge Madeline Cox Arleo,

Enclosed are copies of all Certificates of Service inclusive of what you have requested which is dated April 5th 2018 and the attached Acknowledgements of Proof of Sending as required by F.R.C.P.4(m).

Enclosed 140+ pages are copies and receipts already filed with this court from U.S.P.S. and RPost is verifiable proof along with the Registered Receipt as required by F.R.C.P.4(m). Proof the message was delivered to it's addresses or it's electronic agents as required in the paperwork reduction act. The time stamps are attached on each enclosure. Each and every Certificate of Service was witnessed by a Notary Acceptor which no-one ever responded to, and as an aside I have re-sent the original complaint with the now CIVIL ACTION No. 18-5724(MCA) as you have ascribed to your new document. All done with return receipts.

I have not however re-sent copies of Certificates of Service to the Defendants since all originals are in the case file to access by Pacer, I am sure they can take the time to find them. Now since this court has gone way beyond the timeframes allowed by the court system we are moving this directly into arbitration.

COMES NOW the Presenters, et al., and requests this Honorable Court to honor the fact that the Parties have negotiated an agreement that includes an Arbitration clause. Neither the federal or state rules of civil procedure line up perfectly with the FAA (for example, Rule 12 does not list "motion to compel arbitration" as a potential responsive pleading). Federal courts in six circuits have treated motions to compel arbitration as motions to dismiss for lack of subject matter jurisdiction under Rule 12(b)(1). A district court in the Eleventh Circuit is the only court to expressly state that motions to compel arbitration should be brought under Rule

12(b)(1). *MRI Scan Ctr, L.L.C. v. Nat'l Imaging Assocs., Inc.*, No. 13-60051-CIV, 2013 WL 1899689, at *2 (S.D. Fla. May 7, 2013). However, in the Second, Sixth, Eighth, Ninth, and Federal Circuits litigants have been *permitted* to bring motions to compel under the 12(b)(1) standard. See, e.g., *Geographic Expeditions, Inc. v. Estate of Lhotka*, 599 F.3d. 1102, 1106-07 (9th Cir. 2010); *U.S. ex rel. Lighting & Power Servs., Inc. v. Interface Constr. Corp.*, 553 F.3d 1150, 1152 (8th Cir. 2009); *Harris v. United States*, 841 F.2d 1097, 1099 (Fed. Cir. 1988); *Multiband Corp. v. Block*, No. 11-15006, 2012 WL 1843261, at *5 (E.D. Mich. May 21, 2012); *Orange Cnty. Choppers, Inc. v. Goen Techs. Corp.*, 374 F. Supp. 2d 372, 373 (S.D.N.Y. 2005). Other circuits take a different position asserting that motions to compel arbitration should be brought under Rule 12(b)(3) for improper venue. The Fourth and Seventh Circuits adopt this approach. These circuits reason that because arbitration clauses are a type of forum selection clause and therefore concern venue, motions to compel arbitration should be brought under Rule 12(b)(3). *Gratsy v. Colo. Technical Univ.*, 599 Fed. App'x 596, 597 (7th Cir. 2015); *Hayes v. Delbert Servs. Corp.*, No. 3:14-cv-258, 2015 WL 269483, at *4 n.1 (E.D. Va. Jan. 21, 2015).

Only one circuit adopts Rule 12(b)(6) — failure to state a claim upon which relief can be granted — as the proper subpart for a motion to compel arbitration. The Third Circuit explicitly rejects the practice of bringing motions to compel arbitration under 12(b)(3) and requires that motions to compel arbitration should be made under Rule 12(b)(6). *Palko v. Airborne Express, Inc.*, 372 F.3d 588, 597-98 (3rd Cir. 2004); *Lomax v. Meracord L.L.C.*, No. 13-1945 (SRC), 2013 WL 5674249, at *6 n.3 (D.N.J. Oct. 16, 2013).

LEGAL NOTICE: The Certifying Notary is an independent contractor and not a party to this claim. In fact the Certifying Notary is a Federal Witness Pursuant to TITLE 18, PART I, CHAPTER 73, SEC. 1512. *Tampering with a witness, victim, or an informant*. The Certifying Notary also performs the functions of a quasi-Postal Inspector under the Homeland Security Act by being compelled to report any violations of the U.S. Postal regulations as an Officer of the Executive Department. Intimidating a Notary Public under Color of Law is a violation of Title 18, U.S. Code, Section 242, titled "Deprivation of Rights Under Color of Law," which primarily governs police misconduct investigations. This Statute makes it a crime for any person acting under the Color of Law to willfully deprive any individual residing in the United States and/or United States of America those rights protected by the Constitution and U.S. law

I filed my case with this court because it all started out as FRAUD, by an over reaching Special Officer, and Town Administrator who both later physically had me attacked and caused irreparable bodily harm to me, which will be dealt with in another case. And both now have now been fired. This filing was for a record, the matter is settled, and for your Honor to try to intervene is mute, this was settled by a Tribunal, and now will be removed from the courts and placed into Arbitration due to the lack of Honest Services by these courts.

37 Am Jur 2d, Section 8, states, "Fraud vitiates every transaction and all contracts. Indeed, the principle is often stated, in broad and sweeping language, that fraud destroys the validity of everything into which it enters, and that it vitiates the most solemn contracts, and even judgments.

I am competent to state the foregoing facts, I have first hand knowledge of the foregoing facts and I am of the age of majority. To the best of my knowledge and information the foregoing is true and correct as done on this 26th day of April two thousand and nineteen.

I. CAVEAT

1. Please understand that while the Undersigned wants, wishes and desires to resolve this matter as promptly as possible, the Undersigned can only do so upon Respondent(s) 'official response' to this Conditional Acceptance for Value and counter offer/claim for Proof of Claim by Respondent(s) providing the Undersigned with the requested and necessary Proof of Claims raised herein above.
2. Therefore, as the Undersigned is not a signatory; NOR a party, to your "social compact" (contract) known as the Constitution (Charter) of the UNITED STATES; NOR noticed NOR cognizant, of any agreement/contract between the UNITED STATES, and the Undersigned and specifically any obtained through FULL DISCLOSURE and containing any FAIR/VALUABLE CONSIDERATION therein, to include the setting up of trust accounts, and or insurance policies, and or contracts, which would act/operate to create and establish a "relationship" (nexus) and thereby; and therein, bind the Undersigned to the specific "source of authority" for the creation and existence of the alleged statute(s)/law(s) as contained and allegedly promulgated within the "Code" known as the United States Code; which, with the privity of contract or contract itself would thereby; and therein, create and establish legal force and or effect of said statute(s)/law(s) over and upon the Undersigned; and, would also act/operate to subject the Undersigned to the "statutory jurisdiction" of the UNITED STATES, its laws, venue, jurisdiction, and the like of its commercial courts/administrative tribunals/units and thereby; and therein, bind the Undersigned to said courts/administrative tribunal's/unit's decisions, orders, judgments, and the like; and specifically as within the above referenced alleged Commercial/Civil/Cause; and, which would act/operate to establish and confer upon said court/administrative tribunal/unit the necessary requirement/essential of "subject-matter jurisdiction" without which it is powerless to move in any action other than to dismiss. It is to be noted that the use of any statute and/or code and or regulation and/or law other than those expressed by the Constitution, or for reference purposes only and not an acknowledgment and or proof of such engagement with knowing intent, and as a result thereof the parties agree that any statute and/or code introduced by the United States Congress and or state legislature under its non-governmental capacity i.e. it's "corporate business commercial transacting capacity", are not binding on any of the parties, and cannot be introduced and or used as any justification for any proceeding, and/or procedure, and or remedy respecting this matter. That the arbitration process is binding on all parties and is the sole and exclusive remedy for redressing any and all issue associated with this trust agreement. That this agreement supersedes and predates as well as replaces any and all prior agreements between the parties, and is binding on all parties and irrevocable, and the parties agreed to the terms and conditions of this agreement upon default of the defaulting party as of the date of the default, that the value of this agreement is (\$11,316,300.00 (Eleven Million Three Hundred and Sixteen Thousand Three Hundred Dollars), the amount demanded is (\$33,948,900.00, three times the value of the original contract is deemed reasonable unless other circumstances for a higher amount exist). The Undersigned humbly and respectfully requests the Respondent(s) provide said necessary Proof of Claims so as to resolve the Undersigned's confusion and concerns within this/these matter(s), otherwise, the Undersigned must ask, "What is the Undersigned's remedy?"
3. **THEREFORE**, as Respondent(s) have superior knowledge of the law, and as custodian of record has access to the requested and necessary Proof of Claims, and otherwise being in a 'catbird's seat' to provide the requested and necessary Proof of Claims raised herein above, Respondent(s) is able, capable, and most qualified to inform the Undersigned on those matters relating to and bearing

upon the above referenced alleged **CIVIL/COMMERCIAL/Cause** and thereby; that there is a duty on the part of the parties to communicate and/or respond to the aforementioned proof of claim and/or demand associated with this self-executing binding irrevocable contractual agreement coupled with interests and therein, has an obligation to clear-up all confusion and concerns in said matter(s) for the Undersigned as to the nature and cause of said process(s), proceeding(s), and the like as well as the lawfulness and validity of such to include; inter ali, all decisions, orders, and the like within; and arising from, all such within said Commercial/Civil/Cause.

4. The Undersigned herein; and hereby, provides the Respondent(s) ten (10) Calendar days; to commence the day after receipt of this **CONDITIONAL ACCEPTANCE FOR VALUE BINDING SELF-EXECUTING CONTRACTUAL AGREEMENT COUPLED WITH INTERESTS AND COUNTER OFFER/CLAIM FOR PROOF OF CLAIM**, in which to gather and provide the Undersigned with the requested and necessary Proof of Claims raised herein above, with the instruction, to transmit said Proof of Claims to the Undersigned and/or the below named Notary/Third Party and or their representative as stipulated and attached hereto by reference, for the sole purpose of certifying RESPONSE or want thereof from Respondent(s). Furthermore, the Undersigned herein; and hereby, extends to the Respondent(s) the offer for an additional ten (10) Calendar days in which to provide the requested and necessary Proof of Claims raised herein above. If Respondent(s) desires the additional ten (10) Calendar days, Respondent must cause to be transmitted to the Undersigned and the below named Notary/Third Party etc. al; a signed written REQUEST. Upon receipt thereof, the extension is automatic; however, the Undersigned strongly recommends the Respondent(s) make request for the additional ten (10) Calendar days well before the initial ten (10) Calendar days have elapse and to allow for mailing and delivery time. NOTICE: Should Respondent(s) make request for the additional ten (10) Calendar days, said request will be deemed "good faith" on the part of Respondent(s) to perform to this offer and provide the requested and necessary Proof of Claims. Should Respondent(s) upon making request for the additional ten (10) Calendar days, of which there will not be, cannot be, and shall not be any extension as the aforementioned requested information is required to be readily available for inspection and review upon demand, then fail or otherwise refuse to provide the requested and necessary Proof of Claims, and/or fails to provide the specific information in full detail as specified according to the terms of this agreement, and or shall cause to have presented a nonresponse, and or a general response, and or a nonspecific response, which shall only constitute as an attempt to evade, to avoid, to delay, said act(s) on the part of Respondent(s) shall be deemed and evidenced as an attempted constructive fraud, deception, bad faith, and the like upon Respondent's (s') part and further attempts to cause an inflict injury upon the Undersigned. Further, the Undersigned herein strongly recommends to Respondent(s) that any Proof of Claims and request for the additional ten (10) Calendar days be transmitted "Certified" Mail, Return Receipt Requested, and the contents therein under Proof of Mailing for the good of all concerned.
5. Should the Respondent(s) fail or otherwise refuse to provide the requested and necessary Proof of Claims raised herein above within the expressed period of time established and set herein above, Respondent(s) agree that they will have failed to State any claim upon which relief can be granted. Further, Respondent(s) will have agreed and consented through "tacit acquiescence" to ALL the facts in relation to the above referenced alleged Commercial/Civil/Cause, as raised herein above as Proof of Claims herein; and ALL facts necessarily and of consequence arising there from, are true as they operate in favor of the Undersigned, and that said facts shall stand as prima facie and ultimate (un-

refutable) between the parties to this Conditional Acceptance binding contractual agreement coupled with interests for Value and counter offer/claim for Proof of Claim, the corporate Government juridical construct(s) Respondent(s) represents/serves, and ALL officers, agents, employees, assigns, and the like in service to Respondent(s), as being undisputed. Further, failure and/or refusal by Respondent(s) to provide the requested and necessary Proof of Claims raised herein above shall act/operate as ratification by Respondent(s) that ALL facts as set, established, and agreed upon between the parties to this Conditional Acceptance for Value and counter offer/claim for Proof of Claim, are true, correct, complete, and NOT misleading.

I. **ARBITRATION- AN ADMINISTRATIVE REMEDY COGNIZABLE AT COMMON-LAW**

6. **ADDITIONALLY** it is exigent and of consequence for the Undersigned to inform Respondent(s), in accordance with and pursuant to the principles and doctrines of "clean hands" and "good faith," that by Respondents(s) failure and or refusal to respond and provide the requested and necessary Proof of Claims raised herein above and thereby; and it shall be held and noted and agreed to by all parties, that a general response, a nonspecific response, or a failure to respond with specificities and facts and conclusions of common law, and or to provide the requested information and documentation that is necessary and in support of the agreement shall constitute a failure and a deliberate and intentional refusal to respond and as a result thereby and or therein, expressing the defaulting party's consent and agreement to said facts and as a result of the self-executing agreement coupled with interests, conferring upon the undersigned/grantor full general power of attorney coupled with interests, and that the following is contingent upon their failure to respond in good faith, with specificity, with facts and conclusions of common-law to each and every averment/proof of claim, condition, and/or other/additional claims raised; as they operate in favor of the Undersigned, through "tacit acquiescence," Respondent(s) NOT ONLY expressly affirm the truth and validity of said facts set, established, and agreed upon between the parties to this Conditional Acceptance for Value and counter offer/claim for Proof of Claim, but Respondent(s); having agreed and consented to Respondent(s) having a duty and obligation to provide the requested and necessary Proof of Claims raised herein above, will create and establish for Respondent(s) an estoppel in this matter(s), and ALL matters relating hereto; and arising necessarily therefrom, and/or thereto, and or therein;

and,

7. In accordance with and pursuant to this agreement; a contractually (consensual) irrevocable binding agreement coupled with interests between the parties to this Conditional Acceptance for Value and counter offer/claim for Proof of Claim to include the corporate Government Agency/Department construct(s) whom Respondent(s) represents/serves; as well as, ALL officers, agents, employees, assigns, and the like in service to Respondent(s) agree and affirm under penalty of contempt that they will not argue, controvert, oppose, or otherwise protest ANY of the facts already agreed upon by the parties set and established herein; and necessarily and of consequence arising therefrom, in ANY future remedial proceeding(s)/action(s), including binding arbitration and confirmation of the award in the District Court of the United States at any competent court under original jurisdiction, in accordance with the general principles of non-statutory Arbitration, wherein this Conditional Acceptance Irrevocable Binding Self-Executing Contractual Agreement for the Value/Agreement/Contract no. OTL01162018-2019[®] constitutes an agreement of all interested

parties in the event of a default and acceptance through silence/failure to respond when a request for summary disposition of any claims or particular issue may be requested and decided by the arbitrator, and the parties agree that the policies and procedures of SAA (THE SATCOMM ARBITRATION ASSOCIATION, or OFFICE OF MILITARY SETTLEMENT) whereas a designated arbitrator shall be chosen at random, who is duly authorized, and in the event of any physical or mental incapacity to act as arbitrator, the Undersigned shall retain the authority to select any neutral(s)/arbitrator(s) that qualify pursuant to the common law right to arbitration, as the arbitration process is a private remedy decided upon between the parties, and with respects this agreement, the defaulting party waives any and all rights, services, notices, and consents to the undersigned and or the undersigned's representative selection of the arbitrator thereby constituting agreement, and any controversy or claim arising out of or relating in any way to this Agreement or with regard to its formation, interpretation or breach, and any issues of substantive or procedural arbitrability shall be settled by arbitration, and the arbitrator may hear and decide the controversy upon evidence produced although a party who was duly notified of the arbitration proceeding did not appear; that the Undersigned deems necessary to enforce the "good faith" of ALL parties hereto within without respect to venue, jurisdiction, law, and forum the Undersigned deems appropriate.

8. Further, Respondent(s) agrees the Undersigned can secure damages via financial lien on assets, properties held by them or on their behalf for ALL injuries sustained and inflicted upon the Undersigned for the moral wrongs committed against the Undersigned as set, established, agreed and consented to herein by the parties hereto; and authorizes the undersigned to attach, leech, affix such a lien/claim on the aforementioned properties/assets without objection, and this is to include but not limited to: constitutional impermissible misapplication of statute(s)/law(s) in the above referenced alleged Commercial/Civil/Cause; fraud, conspiracy (two or more involved); trespass of title, property, and the like; and, ALL other known and unknown trespasses and moral wrongs committed through ultra vires act(s) of ALL involved herein; whether by commission or omission. Final amount of damages to be calculated prior to submission of Tort Claim and/or the filing of lien and the perfection of a security interest via a Uniform Commercial Code financing 1 Statement; estimated in excess of TEN (10) Million dollars (USD- or other lawful money or currency generally accepted with or by the financial markets in America), and notice to Respondent(s) by invoice. The respondents are further notified that as per the United States Supreme Court, contracts are property, and as such Per Respondent(s) failure and or refusal to provide the requested and necessary Proof of Claims and thereby; and therein consenting and agreeing to ALL the facts set, established, and agreed upon between the parties hereto, shall constitute a self-executing binding irrevocable durable general power of attorney coupled with interests; of this Conditional Acceptance for Value and counter offer/claim for Proof of Claim, conferring all rights, equitable and/or otherwise upon the undersigned/grantor, and such becomes the security agreement under commercial law whereby only the non-defaulting party becomes the secured party, the holder in due course, the creditor in and at commerce. It is deemed and shall always and forever be held that the undersigned and any and all property, interest, assets, estates, trusts commercial or otherwise shall be deemed consumer and household goods not-for-profit and or gain, private property, and exempt, not for commercial use, nontaxable as defined by the Uniform Commercial Code article 9 section 102 and article 9 section 109 and shall not in any point and/or manner, past, present and/or future be construed otherwise- see the Uniform Commercial Code article 3, 8, and 9; that the properties associated with this agreement shall never be deemed and/or construed as income, profit but for redemption and bringing about equitable wholeness and wellness.

9. Should Respondent(s) allow the ten (10) Calendar days or twenty (20) Calendar days total if request was made by signed written application for the additional ten (10) Calendar days to elapse without providing the requested and necessary Proof of Claims, Respondent(s) will go into fault and the Undersigned will cause to be transmitted a Notice of Fault and Opportunity to Cure and Contest Acceptance to the Respondent(s); wherein, Respondent(s) will be given an additional three (3) days (72 hours) to cure Respondent's (s') fault. Should Respondent(s) fail or otherwise refuse to cure Respondent's(s') fault, Respondent will be found in default and thereby; and therein, Respondent will have established Respondent's(s') consent and agreement to the facts contained within this Conditional Acceptance for Value and counter offer/claim for Proof of Claim as said facts operate in favor of the Undersigned; e.g., that the judgment of alleged "court of record" within the above referenced alleged ***Commercial/Civil/Cause*** is VOID AB INITIO for want of subject-matter jurisdiction of said venue; insufficient document (Information) and affidavits in support thereof for want of establishing a claim of debt; want of Relationship with the "source of authority" for said statute(s)/law(s) for want of privity of contract, or contract itself; improperly identified parties to said judgment, as well as said dispute/matter; and, Respondent(s) agrees and consents that Respondent(s) does have a duty and obligation to Undersigned; as well as the corporate Government Department/agency construct(s) Respondent(s) represents/serves, to correct the record in the above referenced alleged ***Commercial/Civil/Cause*** and thereby; and therein, release the indenture (however termed/styled) upon the Undersigned and cause the Undersigned to be restored to liberty, and releasing the Undersigned's property rights, as well as ALL property held under a storage contract in the "name" of the all-capital-letter "named" defendant within the above referenced alleged ***Commercial/Civil/Cause*** within the alleged commercially "bonded" warehousing agency d.b.a., for the commercial corporate Government construct d.b.a. the United States. That this presentment is to be construed contextually and not otherwise, and that if any portion and/or provision contained within this presentment, this self-executing binding irrevocable contractual agreement coupled with interests, is deemed non-binding it shall in no way affect any other portion of this presentment. That the arbitrator is permitted and allowed to adjust the arbitration award to no less than two times the original value of the contract associated with this agreement, plus the addition of fines, penalties, and other assessments that are deemed reasonable to the arbitrator upon presentment of such claim, supported by *prima facie* evidence of the claim.
10. The defaulting party will be estopped from maintaining or enforcing the original offer/presentment; i.e., the above referenced alleged ***Commercial/Civil/Cause*** as well as ALL commercial paper (negotiable instruments) therein, within any court or administrative tribunal/unit within any venue, jurisdiction, and forum the Undersigned may deem appropriate to proceed within in the event of ANY and ALL breach(s) of this agreement by Respondent(s) to compel specific performance and or damages arising from injuries there from. The defaulting party will be foreclosed by laches and or estoppel from maintaining or enforcing the original offer/presentment in any mode or manner whatsoever, at any time, within any proceeding/action. Furthermore, the respondents are foreclosed against the enforcement, retaliation, assault, infringement, imprisonment, trespass upon the rights, properties, estate, person whether legal, natural or otherwise of the presenter/petitioner and/or his interest and/or his estate retroactively, at present, post-actively, forever under any circumstances, guise, and or presumption!

Please take special note, that the copyright is with reference to the name and its direct association and/or correlation to the presenter.

- That any determination by the arbitrator is binding upon all parties, and that all parties agree to abide by the decision of the arbitrator, that the arbitrator is to render a decision based upon the facts and conclusions as presented within the terms and conditions of the contract. Any default by any party must be supported by proof and evidence of said default, that default shall serve as tacit acquiescence on behalf of the party who default it as having agreed to the terms and conditions associated with the self-executing binding irrevocable contract coupled with interests. That the arbitrator is prohibited from considering and/or relying on statutory law, as it has been held that any time any party relies on or enforces a statute, they possess no judicial power

- Some of the aforementioned cases are not published, however, these are still fundamental principles of law, and one of the fundamental principles of arbitration is that the arbitrator sits as judge over the facts, and as such to preserve the sanctity of the process and arbitrator receives the same immunity as a judge and is exempt from prosecution and or review, unless they can be proved that the arbitrator intentionally ignored the evidence and acted in conspiracy to defraud the parties.

13. As the Undersigned has no desire NOR wish to tie the hands of Respondent(s) in performing Respondent(s') agreed upon duty/obligation as set, established, and agreed upon within this Conditional Acceptance for Value and counter offer/claim for Proof of Claim and thereby create/cause a "breach" of said contractually binding agreement on the part of the Respondent(s), Respondent(s) is hereby; and herein, NOTICED that if this waiver of said Copyright is not liberal, NOR extensive enough, to allow for the Respondent(s) to specifically perform all duties/obligations as set, established, and agreed upon within the Conditional Acceptance for Value and counter offer/claim for Proof of Claim: Respondent(s) may; in "good faith" and NOT in fraud of the Undersigned, take all needed and required liberties with said Copyright and this waiver in order to fulfill and accomplish Respondent(s') duties/obligations set, established, and agreed upon between the parties to this agreement.

14. If Respondent(s) has any questions and or concerns regarding said Copyright and or the waiver, Respondent(s) is invited to address such questions and or concerns to the Undersigned in writing, and causing said communiqués to be transmitted to the Undersigned and below named Notary/Third Party. The respondents have acted as if the contract quasi-or otherwise does not place a binding obligation upon their persons, upon their organizations, upon their institutions, upon their job qualifications, and breaching that obligation breaches the contract, for which they cannot address due to the direct conflict of interest. It is as a result of that conflict of interest that binding arbitration shall be instituted

15. Your failure to respond, and this would include each of the respondents by their representative, and if represented by the Atty. Gen., such representation must be responsive for each State and/or State organization/department/agency, separately and severally to each of the points of averment, failure to respond to a single point of averment will constitute acquiescence, forfeiture, and a waiver of all rights with respects all of the points raised in this presentment.

III. NOTICE TO AGENT IS NOTICE TO PRINCIPLE AND VICE VERSA

16. NOTICE: In this Conditional Acceptance for Value and counter offer/claim for Proof of Claim(a) the words "include," "includes," and "including," are not limiting; (b) the word "all" includes "any" and the word "any" includes "all"; (c) the word "or" is not exclusive except when used in conjunction with the word "and"; as in, "and/or"; and (d) words and terms (i) in the singular number include the plural, and in the plural, the singular; (ii) in the masculine gender include both feminine and neuter.

17. This presentment shall constitute a CLAIM against the assets of your institution and is valid upon your failure to comply with the requirement of this agreement and to VALIDATE NOT VERIFY THE COMPREHENSIVE ACCOUNTING!
18. **NOTICE:** All titles/names/appellations of corporate Government juridical constructs, and branches, departments, agencies, bureaus, offices, sub-whatever's, and the like thereof, include any and all derivatives and variations in the spelling of said titles/names/appellations.

UNITED STATES DISTRICT COURT
FOR THE District of New Jersey [LIVE]
U.S. District Court for the District of New Jersey
NEWARK, NJ 07101

Case No. 2:18-cv-05724-MCA-MAH
Now marked: Civil Action No. 19-5724(MCA)

ATTN: HONORABLE JUDGE Madeline Cox Arleo

Re: Response to your letter.

Judge Madeline Cox Arleo,

Enclosed are copies of all Certificates of Service inclusive of what you have requested which is dated April 5th 2018 and the attached Acknowledgements of Proof of Sending as required by F.R.C.P.4(m).

Enclosed 140+ pages are copies and receipts already filed with this court from U.S.P.S. and RPost is verifiable proof along with the Registered Receipt as required by F.R.C.P.4(m). Proof the message was delivered to it's addresses or it's electronic agents as required in the paperwork reduction act. The time stamps are attached on each enclosure. Each and every Certificate of Service was witnessed by a Notary Acceptor which no-one ever responded to, and as an aside I have re-sent the original complaint with the now CIVIL ACTION No. 18-5724(MCA) as you have ascribed to your new document. All done with return receipts.

I have not however re-sent copies of Certificates of Service to the Defendants since all originals are in the case file to access by Pacer, I am sure they can take the time to find them. Now since this court has gone way beyond the timeframes allowed by the court system we are moving this directly into arbitration.

COMES NOW the Presenters, et al., and requests this Honorable Court to honor the fact that the Parties have negotiated an agreement that includes an Arbitration clause. Neither the federal or state rules of civil procedure line up perfectly with the FAA (for example, Rule 12 does not list "motion to compel arbitration" as a potential responsive pleading). Federal courts in six circuits have treated motions to compel arbitration as motions to dismiss for lack of subject matter jurisdiction under Rule 12(b)(1). A district court in the Eleventh Circuit is the only court to expressly state that motions to compel arbitration should be brought under Rule

12(b)(1). *MRI Scan Ctr., L.L.C. v. Nat'l Imaging Assocs., Inc.*, No. 13-60051-CIV, 2013 WL 1899689, at *2 (S.D. Fla. May 7, 2013). However, in the Second, Sixth, Eighth, Ninth, and Federal Circuits litigants have been *permitted* to bring motions to compel under the 12(b)(1) standard. See, e.g., *Geographic Expeditions, Inc. v. Estate of Lhotka*, 599 F.3d. 1102, 1106-07 (9th Cir. 2010); *U.S. ex rel. Lighting & Power Servs., Inc. v. Interface Constr. Corp.*, 553 F.3d 1150, 1152 (8th Cir. 2009); *Harris v. United States*, 841 F.2d 1097, 1099 (Fed. Cir. 1988); *Multiband Corp. v. Block*, No. 11-15006, 2012 WL 1843261, at *5 (E.D. Mich. May 21, 2012); *Orange Cnty. Choppers, Inc. v. Goen Techs. Corp.*, 374 F. Supp. 2d 372, 373 (S.D.N.Y. 2005). Other circuits take a different position asserting that motions to compel arbitration should be brought under Rule 12(b)(3) for improper venue. The Fourth and Seventh Circuits adopt this approach. These circuits reason that because arbitration clauses are a type of forum selection clause and therefore concern venue, motions to compel arbitration should be brought under Rule 12(b)(3). *Gratsy v. Colo. Technical Univ.*, 599 Fed. App'x 596, 597 (7th Cir. 2015); *Hayes v. Delbert Servs. Corp.*, No. 3:14-cv-258, 2015 WL 269483, at *4 n.1 (E.D. Va. Jan. 21, 2015).

Only one circuit adopts Rule 12(b)(6) — failure to state a claim upon which relief can be granted — as the proper subpart for a motion to compel arbitration. The Third Circuit explicitly rejects the practice of bringing motions to compel arbitration under 12(b)(3) and requires that motions to compel arbitration should be made under Rule 12(b)(6). *Palko v. Airborne Express, Inc.*, 372 F.3d 588, 597-98 (3rd Cir. 2004); *Lomax v. Meracord L.L.C.*, No. 13-1945 (SRC), 2013 WL 5674249, at *6 n.3 (D.N.J. Oct. 16, 2013).

LEGAL NOTICE: The Certifying Notary is an independent contractor and not a party to this claim. In fact the Certifying Notary is a Federal Witness Pursuant to TITLE 18, PART I, CHAPTER 73, SEC. 1512. *Tampering with a witness, victim, or an informant*. The Certifying Notary also performs the functions of a quasi-Postal Inspector under the Homeland Security Act by being compelled to report any violations of the U.S. Postal regulations as an Officer of the Executive Department. Intimidating a Notary Public under Color of Law is a violation of Title 18, U.S. Code, Section 242, titled "Deprivation of Rights Under Color of Law," which primarily governs police misconduct investigations. This Statute makes it a crime for any person acting under the Color of Law to willfully deprive any individual residing in the United States and/or United States of America those rights protected by the Constitution and U.S. law

I filed my case with this court because it all started out as FRAUD, by an over reaching Special Officer, and Town Administrator who both later physically had me attacked and caused irreparable bodily harm to me, which will be dealt with in another case. And both now have now been fired. This filing was for a record, the matter is settled, and for your Honor to try to intervene is mute, this was settled by a Tribunal, and now will be removed from the courts and placed into Arbitration due to the lack of Honest Services by these courts.

37 Am Jur 2d, Section 8, states, "Fraud vitiates every transaction and all contracts. Indeed, the principle is often stated, in broad and sweeping language, that fraud destroys the validity of everything into which it enters, and that it vitiates the most solemn contracts, and even judgments.

I am competent to state the foregoing facts, I have first hand knowledge of the foregoing facts and I am of the age of majority. To the best of my knowledge and information the foregoing is true and correct as done on this 26th day of April two thousand and nineteen.

By:  I so swear.

I. CAVEAT

1. Please understand that while the Undersigned wants, wishes and desires to resolve this matter as promptly as possible, the Undersigned can only do so upon Respondent(s) 'official response' to this Conditional Acceptance for Value and counter offer/claim for Proof of Claim by Respondent(s) providing the Undersigned with the requested and necessary Proof of Claims raised herein above.
2. Therefore, as the Undersigned is not a signatory; NOR a party, to your "social compact" (contract) known as the Constitution (Charter) of the UNITED STATES; NOR noticed NOR cognizant, of any agreement/contract between the UNITED STATES, and the Undersigned and specifically any obtained through FULL DISCLOSURE and containing any FAIR/VALUABLE CONSIDERATION therein, to include the setting up of trust accounts, and or insurance policies, and or contracts, which would act/operate to create and establish a "relationship" (nexus) and thereby; and therein, bind the Undersigned to the specific "source of authority" for the creation and existence of the alleged statute(s)/law(s) as contained and allegedly promulgated within the "Code" known as the United States Code; which, with the privity of contract or contract itself would thereby; and therein, create and establish legal force and or effect of said statute(s)/law(s) over and upon the Undersigned; and, would also act/operate to subject the Undersigned to the "statutory jurisdiction" of the UNITED STATES, its laws, venue, jurisdiction, and the like of its commercial courts/administrative tribunals/units and thereby; and therein, bind the Undersigned to said courts/administrative tribunal's/unit's decisions, orders, judgments, and the like; and specifically as within the above referenced alleged Commercial/Civil/Cause; and, which would act/operate to establish and confer upon said court/administrative tribunal/unit the necessary requirement/essential of "subject-matter jurisdiction" without which it is powerless to move in any action other than to dismiss. It is to be noted that the use of any statute and/or code and or regulation and/or law other than those expressed by the Constitution, or for reference purposes only and not an acknowledgment and or proof of such engagement with knowing intent, and as a result thereof the parties agree that any statute and/or code introduced by the United States Congress and or state legislature under its non-governmental capacity i.e. it's "corporate business commercial transacting capacity", are not binding on any of the parties, and cannot be introduced and or used as any justification for any proceeding, and/or procedure, and or remedy respecting this matter. That the arbitration process is binding on all parties and is the sole and exclusive remedy for redressing any and all issue associated with this trust agreement. That this agreement supersedes and predates as well as replaces any and all prior agreements between the parties, and is binding on all parties and irrevocable, and the parties agreed to the terms and conditions of this agreement upon default of the defaulting party as of the date of the default, that the value of this agreement is (\$11,316,300.00 (Eleven Million Three Hundred and Sixteen Thousand Three Hundred Dollars), the amount demanded is (\$33,948,900.00, three times the value of the original contract is deemed reasonable unless other circumstances for a higher amount exist). The Undersigned humbly and respectfully requests the Respondent(s) provide said necessary Proof of Claims so as to resolve the Undersigned's confusion and concerns within this/these matter(s), otherwise, the Undersigned must ask, "What is the Undersigned's remedy?"
3. THEREFORE, as Respondent(s) have superior knowledge of the law, and as custodian of record has access to the requested and necessary Proof of Claims, and otherwise being in a 'catbird's seat' to provide the requested and necessary Proof of Claims raised herein above, Respondent(s) is able, capable, and most qualified to inform the Undersigned on those matters relating to and bearing

upon the above referenced alleged **CIVIL/COMMERCIAL/Cause** and thereby; that there is a duty on the part of the parties to communicate and/or respond to the aforementioned proof of claim and/or demand associated with this self-executing binding irrevocable contractual agreement coupled with interests and therein, has an obligation to clear-up all confusion and concerns in said matter(s) for the Undersigned as to the nature and cause of said process(s), proceeding(s), and the like as well as the lawfulness and validity of such to include; inter ali, all decisions, orders, and the like within; and arising from, all such within said Commercial/Civil/Cause.

4. The Undersigned herein; and hereby, provides the Respondent(s) ten (10) Calendar days; to commence the day after receipt of this **CONDITIONAL ACCEPTANCE FOR VALUE BINDING SELF-EXECUTING CONTRACTUAL AGREEMENT COUPLED WITH INTERESTS AND COUNTER OFFER/CLAIM FOR PROOF OF CLAIM**, in which to gather and provide the Undersigned with the requested and necessary Proof of Claims raised herein above, with the instruction, to transmit said Proof of Claims to the Undersigned and/or the below named Notary/Third Party and or their representative as stipulated and attached hereto by reference, for the sole purpose of certifying RESPONSE or want thereof from Respondent(s). Furthermore, the Undersigned herein; and hereby, extends to the Respondent(s) the offer for an additional ten (10) Calendar days in which to provide the requested and necessary Proof of Claims raised herein above. If Respondent(s) desires the additional ten (10) Calendar days, Respondent must cause to be transmitted to the Undersigned and the below named Notary/Third Party etc. al; a signed written REQUEST. Upon receipt thereof, the extension is automatic; however, the Undersigned strongly recommends the Respondent(s) make request for the additional ten (10) Calendar days well before the initial ten (10) Calendar days have elapse and to allow for mailing and delivery time. NOTICE: Should Respondent(s) make request for the additional ten (10) Calendar days, said request will be deemed "good faith" on the part of Respondent(s) to perform to this offer and provide the requested and necessary Proof of Claims. Should Respondent(s) upon making request for the additional ten (10) Calendar days, of which there will not be, cannot be, and shall not be any extension as the aforementioned requested information is required to be readily available for inspection and review upon demand, then fail or otherwise refuse to provide the requested and necessary Proof of Claims, and/or fails to provide the specific information in full detail as specified according to the terms of this agreement, and or shall cause to have presented a nonresponse, and or a general response, and or a nonspecific response, which shall only constitute as an attempt to evade, to avoid, to delay, said act(s) on the part of Respondent(s) shall be deemed and evidenced as an attempted constructive fraud, deception, bad faith, and the like upon Respondent's (s') part and further attempts to cause an inflict injury upon the Undersigned. Further, the Undersigned herein strongly recommends to Respondent(s) that any Proof of Claims and request for the additional ten (10) Calendar days be transmitted "Certified" Mail, Return Receipt Requested, and the contents therein under Proof of Mailing for the good of all concerned.
5. Should the Respondent(s) fail or otherwise refuse to provide the requested and necessary Proof of Claims raised herein above within the expressed period of time established and set herein above, Respondent(s) agree that they will have failed to State any claim upon which relief can be granted. Further, Respondent(s) will have agreed and consented through "tacit acquiescence" to ALL the facts in relation to the above referenced alleged Commercial/Civil/Cause, as raised herein above as Proof of Claims herein; and ALL facts necessarily and of consequence arising there from, are true as they operate in favor of the Undersigned, and that said facts shall stand as prima facie and ultimate (un-

refutable) between the parties to this Conditional Acceptance binding contractual agreement coupled with interests for Value and counter offer/claim for Proof of Claim, the corporate Government juridical construct(s) Respondent(s) represents/serves, and ALL officers, agents, employees, assigns, and the like in service to Respondent(s), as being undisputed. Further, failure and/or refusal by Respondent(s) to provide the requested and necessary Proof of Claims raised herein above shall act/operate as ratification by Respondent(s) that ALL facts as set, established, and agreed upon between the parties to this Conditional Acceptance for Value and counter offer/claim for Proof of Claim, are true, correct, complete, and NOT misleading.

I. ARBITRATION- AN ADMINISTRATIVE REMEDY COGNIZABLE AT COMMON-LAW

OTL01162018-2019® constitutes an agreement of all interested

parties in the event of a default and acceptance through silence/failure to respond when a request for summary disposition of any claims or particular issue may be requested and decided by the arbitrator, and the parties agree that the policies and procedures of SAA (THE SATCOMM ARBITRATION ASSOCIATION, or OFFICE OF MILITARY SETTLEMENT) whereas a designated arbitrator shall be chosen at random, who is duly authorized, and in the event of any physical or mental incapacity to act as arbitrator, the Undersigned shall retain the authority to select any neutral(s)/arbitrator(s) that qualify pursuant to the common law right to arbitration, as the arbitration process is a private remedy decided upon between the parties, and with respects this agreement, the defaulting party waives any and all rights, services, notices, and consents to the undersigned and or the undersigned's representative selection of the arbitrator thereby constituting agreement, and any controversy or claim arising out of or relating in any way to this Agreement or with regard to its formation, interpretation or breach, and any issues of substantive or procedural arbitrability shall be settled by arbitration, and the arbitrator may hear and decide the controversy upon evidence produced although a party who was duly notified of the arbitration proceeding did not appear; that the Undersigned deems necessary to enforce the "good faith" of ALL parties hereto within without respect to venue, jurisdiction, law, and forum the Undersigned deems appropriate.

Final amount of damages to be calculated prior to submission of Tort Claim and/or the filing of lien and the perfection of a security interest via a Uniform Commercial Code financing 1 Statement; estimated in excess of TEN (10) Million dollars (USD- or other lawful money or currency generally accepted with or by the financial markets in America), and notice to Respondent('s) by invoice. The respondents are further notified that as per the United States Supreme Court, contracts are property, and as such Per Respondent('s) failure and or refusal to provide the requested and necessary Proof of Claims and thereby; and therein consenting and agreeing to ALL the facts set, established, and agreed upon between the parties hereto, shall constitute a self-executing binding irrevocable durable general power of attorney coupled with interests; of this Conditional Acceptance for Value and counter offer/claim for Proof of Claim, conferring all rights, equitable and/or otherwise upon the undersigned/grantor, and such becomes the security agreement under commercial law whereby only the non-defaulting party becomes the secured party, the holder in due course, the creditor in and at commerce. 9. Should Respondent(s) allow the ten (10) Calendar days or twenty (20) Calendar days total if request was made by signed written application for the additional ten (10) Calendar days to elapse without providing the requested and necessary Proof of Claims, Respondent(s) will go into fault and the Undersigned will cause to be transmitted a Notice of Fault and Opportunity to Cure and Contest Acceptance to the Respondent(s); wherein, Respondent(s) will be given an additional three (3) days (72 hours) to cure Respondent's (s') fault. Should Respondent(s) fail or otherwise refuse to cure Respondent's(s') fault, Respondent will be found in default and thereby; and therein, Respondent will have established Respondent's(s') consent and agreement to the facts contained within this Conditional Acceptance for Value and counter offer/claim for Proof of Claim as said facts operate in favor of the Undersigned; e.g., that the judgment of alleged "court of record" within the above referenced alleged ***Commercial/Civil/Cause*** is VOID AB INITIO for want of subject-matter jurisdiction of said venue; insufficient document (Information) and affidavits in support thereof for want of establishing a claim of debt; want of Relationship with the "source of authority" for said statute(s)/law(s) for want of privity of contract, or contract itself; improperly identified parties to said judgment, as well as said dispute/matter; and, Respondent(s) agrees and consents that Respondent(s) does have a duty and obligation to Undersigned; as well as the corporate Government Department/agency construct(s) Respondent(s) represents/serves, to correct the record in the above referenced alleged ***Commercial/Civil/Cause*** and thereby; and therein, release the indenture (however termed/styled) upon the Undersigned and cause the Undersigned to be restored to liberty, and releasing the Undersigned's property rights, as well as ALL property held under a storage contract in the "name" of the all-capital-letter "named" defendant within the above referenced alleged ***Commercial/Civil/Cause*** within the alleged commercially "bonded" warehousing agency d.b.a., for the commercial corporate Government construct d.b.a. the United States. That this presentment is to be construed contextually and not otherwise, and that if any portion and/or provision contained within this presentment, this self-executing binding irrevocable contractual agreement coupled with interests, is deemed non-binding it shall in no way affect any other portion of this presentment. That the arbitrator is permitted and allowed to adjust the arbitration award to no less than two times the original value of the contract associated with this agreement, plus the addition of fines, penalties, and other assessments that are deemed reasonable to the arbitrator upon presentment of such claim, supported by *prima facie* evidence of the claim.

The defaulting party will be foreclosed by laches and or estoppel from maintaining or enforcing the original offer/presentment in any mode or manner whatsoever, at any time, within any proceeding/action. Furthermore, the respondents are foreclosed against the enforcement, retaliation, assault, infringement, imprisonment, trespass upon the rights, properties, estate, person whether legal, natural or otherwise of the presenter/petitioner and/or his interest and/or his estate retroactively, at present, post-actively, forever under any circumstances, guise, and or presumption!

II. NOTICE OF COMMON-LAW ARBITRATION:

11. Please be advised that in-as-much as the Undersigned has "secured" the "interest" in the "name" of the all-capital-letter "named" defendant as employed/used upon the face; and within, ALL documents/instruments/records within the above referenced alleged Commercial/Civil/Cause, to include any and all derivatives and variations in the spelling of said "name" except the "true name" of the Undersigned as appearing within the Undersigned's signature block herein below, through a Common-Law Copyright, filed for record within the Office of the Secretary of State, Georgia State of Georgia, and, having "perfected said interest" in same through incorporation within a Financing (and all amendments and transcending filings thereto), by reference therein, the Undersigned hereby; and herein, waives the Undersigned's rights as set, established, and the like therein, and as "perfected" within said Financing Statement acting/operating to "register" said Copyright, to allow for the Respondent(s) to enter the record of the alleged "court of record" within the above referenced alleged **Commercial/Civil/Cause** for the SOLE purpose to correct said record and comply with Respondent's(s') agreed upon duty/obligation to write the "order" and cause same to be transmitted to restore and release the Undersigned, the Undersigned's corpus, and ALL property currently under a "storage contract" under the Undersigned's Common-Law Copyrighted trade-name; i.e., the all-capital-letter "named" defendant within the above referenced alleged Commercial/Civil/Cause, within the alleged commercially "bonded" warehousing agency d.b.a. the commercial corporate Government juridical construct d.b.a. the United States. Please take special note, that the copyright is with reference to the name and its direct association and/or correlation to the presenter.

- "Internationally accepted principles of law governing contractual relations"^{[1] *Deutsche Schachtbau v R'As al-Kaimah National Oil Co* [1990] 1 AC 295]}
- If the contract (valid or otherwise) contains an arbitration clause, then the proper forum to determine whether the contract is void or not, is the arbitration tribunal.^{[1] For example, see *Heyman v Darwins Ltd.* [1942] AC 356]}
- That any determination by the arbitrator is binding upon all parties, and that all parties agree to abide by the decision of the arbitrator, that the arbitrator is to render a decision based upon the facts and conclusions as presented within the terms and conditions of the contract. Any default by any party must be supported by proof and evidence of said default, that default shall serve as tacit acquiescence on behalf of the party who default it as having agreed to the terms and conditions associated with the self-executing binding irrevocable contract coupled with interests. That the arbitrator is prohibited from considering and/or relying on statutory law, as it has been held that any time any party relies on or enforces a statute, they possess no judicial power
- "A judge ceases to set as a judicial officer because the governing principals of administrative law provides that courts are prohibited from substituting their evidence, testimony, record, arguments and rationale for that of the agency. Additionally, courts are prohibited from their substituting their judgments for that of the agency." *AISI v US*, 568 F2d 284.

- "It is basic in our law that an administrative agency may act only within the area of jurisdiction marked out for it by law. - "It is not every act, legislative or form, that is law. Law is something more than mere will exerted as an act of power...Arbitrary power, enforcing its edicts to the injury of the person and property of its subjects is not law." *Hurtado v. California* (1884) 110 US 515 (1984).
- Some of the aforementioned cases are not published, however, these are still fundamental principles of law, and one of the fundamental principles of arbitration is that the arbitrator sits as judge over the facts, and as such to preserve the sanctity of the process and arbitrator receives the same immunity as a judge and is exempt from prosecution and or review, unless they can be proved that the arbitrator intentionally ignored the evidence and acted in conspiracy to defraud the parties.

13. As the Undersigned has no desire NOR wish to tie the hands of Respondent(s) in performing Respondent(s') agreed upon duty/obligation as set, established, and agreed upon within this Conditional Acceptance for Value and counter offer/claim for Proof of Claim and thereby create/cause a "breach" of said contractually binding agreement on the part of the Respondent(s), Respondent(s) is hereby; and herein, NOTICED that if this waiver of said Copyright is not liberal, NOR extensive enough, to allow for the Respondent(s) to specifically perform all duties/obligations as set, established, and agreed upon within the Conditional Acceptance for Value and counter offer/claim for Proof of Claim: Respondent(s) may; in "good faith" and NOT in fraud of the Undersigned, take all needed and required liberties with said Copyright and this waiver in order to fulfill and accomplish Respondent(s') duties/obligations set, established, and agreed upon between the parties to this agreement.

14. If Respondent(s) has any questions and or concerns regarding said Copyright and or the waiver, Respondent(s) is invited to address such questions and or concerns to the Undersigned in writing, and causing said commüniqués to be transmitted to the Undersigned and below named Notary/Third Party. The respondents have acted as if the contract quasi-or otherwise does not place a binding obligation upon their persons, upon their organizations, upon their institutions, upon their job qualifications, and breaching that obligation breaches the contract, for which they cannot address due to the direct conflict of interest. It is as a result of that conflict of interest that binding arbitration shall be instituted

15. Your failure to respond, and this would include each of the respondents by their representative, and if represented by the Atty. Honorable Mark Forstenhausler.

Please find attached the First Notice Of Demand and Settlement For The Closing Of The Escrow.

For file number OTL01162018 Registered Mail number RE 246 243 083 US.

At the same time I am asking you that some officers have shown up at my residence at different times of days and nights pounding on the door. My Father who is 86 years old and a little hard of hearing and knows a little bit about this is quite upset. This is vexatious and harassment.

This case and these tickets/charges are over with, any more harassment will be noticed to the Adjudicent General and we will file charges against any officer continuing these actions.

I know you still do not fully understand what has happened but courts are under hidden Military Jurisdiction because these Judges hide facts.

I have already filed a DD2701 as witness to these facts, and suggest you read the last few Presidential Executive orders as it relates to Trafficking Persons, this is what courts are doing, Trafficking Persons into another Jurisdiction.

I respectfully Request you notify your officers to please stand down since this case is settled, and should I be handcuffed (assaulted) and Jailed (kidnapped) over an officer in Jefferson Township, along with Sparta New Jersey writing a tickets he had no rights to issue, as mentioned before my fee will be \$100,000.00 per day and they will be charged with a Felony.

Also, your Sargent demanding that the truck be re-titled, registered, and insured in anthers name before it was picked up by another licensed driver is a crime, and this too has been reported to the Adjudicent General. Do not be surprised when the Military comes to pick both he and officer Guido for their Felony crimes. It's time to re-educate your police force and recognize Only the Law of Peace applies!

Respectfully Submitted

Honorable Russel Felter,

Please find attached the First Notice Of Demand and Settlement For The Closing Of The Escrow.

For file number OTL01162018 Registered Mail number RE 246 243 066 US.

At the same time I am asking you that some officers have shown up at my residence at different times of days and nights pounding on the door. My Father who is 86 years old and a little hard of hearing and knows a little bit about this is quite upset. This is vexatious and harassment.

This case and these tickets/charges are over with, any more harassment will be noticed to the Adjacent General and we will file charges against any officer continuing these actions.

I know you still do not fully understand what has happened but courts are under hidden Military Jurisdiction because these Judges hide facts.

I have already filed a DD2701 as witness to these facts, and suggest you read the last few Presidential Executive orders as it relates to Trafficking Persons, this is what courts are doing, Trafficking Persons into another Jurisdiction.

I respectfully Request you notify your officers to please stand down since this case is settled, and should I be handcuffed (assaulted) and Jailed (kidnapped) over an officer writing a ticket he had no rights to issue, as mentioned before my fee will be \$100,000.00 per day and they will be charged with a Felony.

Respectfully Submitted

Owen Thomas (Scott) Lennon
